VACATION BIBLE SCHOOL

The last week of June was a fabulous mess with 23 students, 5 student helpers, 5 great people in the kitchen, and 5 leaders. Thanks to everyone that helped to make this a great week.

On Monday, we learned that the world is a messy place because of sin. Tuesday, we learned that God loves us, even though we sin. Wednesday, we learned that God wants us to be honest about our sins. In other words; we must confess our mess and what God did to address our mess; to deal with it. Thursday we learned how to deal with others' messes.

The fun-filled week was made up of messy crafts and messy games and a lot of fun!
