

GRACE MESSENGER

NOVEMBER 2024

Grace Lutheran Log Church

FROM THE PASTOR:

Dear Grace Lutheran Church Family and Friends,

“And God said, ‘Let there be lights in the expanse of the sky to separate the day from the night, and let them serve as signs to mark seasons and days and years, and let there be lights in the expanse of the sky to give light on the earth.’” Genesis 1:14-15

I feel so blessed that when God created the heavens and the earth, that He thought to create seasons. I, also, feel so blessed that I live where those seasons are each different. Each season holds such marvelous beauty and purposeful changes.

I hope you were able to go outside for a walk or a drive in the past three weeks to look with childlike eyes at the beauty of God’s creativity and truly appreciate the magic in the changing of the seasons. I marvel at the many-colored display God treats us to each fall.

If you did not get out to wander in God’s creation, take a step outside today, breathe deeply of that fall air. Say a prayer of thanks to God for His artistic and amazing gifts to us through the changing of seasons.

“.....And God saw that it was good.” vs 25

Yours in Christ,
Pastor Lorelie
