

GRACE MESSENGER

APRIL 2026

Grace Lutheran Log Church

Dear Sisters and Brothers of Grace Lutheran,

As we enter the season of Easter, we are reminded of the greatest truth of our faith. **Christ is risen! He is risen in deed!**

Easter is not just a celebration of the past – it is God’s power at work in the present. The resurrection assures us that no darkness is final and no situation is beyond God’s renewing grace.

Grace Lutheran has walked through many seasons. And, through it all, God has been faithful. Just as the empty tomb brought new life, I believe God is continually renewing our congregation.

Easter calls us to live with hope, to stand in faith, and to move forward with confidence in God’s promise. We, at Grace, are rich in faith, love, and commitment - and God delights in working through faithful communities.

The resurrection is not only something we believe - it is something we live!

Walking with you in faith, joy, hope, and promise in the Easter season,
Lorelie

Council Notes:

April is the month of transitions starting with the end of Lent and the beginning of new life with the resurrection of Jesus. Here at Grace we welcome the return of our snowbirds and summer visitors. We also begin outdoor projects that the fair weather finally allows. We are in the process of replacing the decaying wood siding on the north wall of the church and replacing it with the same insulated steel product that we used last year on the back wall of the sanctuary. We also will begin other maintenance tasks of both the church and parsonage. Outside clean up of the grounds will begin with your help on grubby Sunday, May 3. As always, we look forward to your much needed help!
